PROFESSIONAL SUMMARY

I am a Computer Science student seeking an entry-level position or internship where I can apply my programming skills and problem-solving abilities. I aim to obtain a position where I can learn new skills, apply my knowledge effectively, and contribute to the success of the organization.

TECHNICAL SKILLS

- C (Basic-Intermediate)
- Python (Intermediate)
- Data Structures & Algorithms (Intermediate)
- HTML, CSS & JavaScript (Advanced)
- Git, GitHub, VS Code

EDUCATION

- | | | |
|---|---------|-----------|
| • Bachelor of Engineering Government Engineering College, Patan | 2024-28 | 8.10 CGPA |
| • Higher Secondary Education GSHSEB | 2022-24 | 76.61% |

ACADEMIC PROJECT

Tic-Tac-Toe Game & E-Commerce Website | Project In Web Development

- Developed a simple e-commerce website with login/signup, add-to-cart, and wish-list features & Used HTML, CSS, JavaScript for frontend and basic backend for storing data.
- Built a Web-based Tic-Tac-Toe game with score tracking and reset functionality.

Billing Management System | Project In DSA

- Developed a billing system to manage products, generate invoices, and calculate total cost automatically
- Implemented search, update products and customer details operations for items using core DSA concepts

ACHIEVEMENTS / HOBBIES

- Participated in **Smart India Hackathon (SIH) 2024 and 2025**, collaborating in a team to design and develop innovative technical solutions.
- I have participated in a **DSA Hackathon** organized by the college, applying problem-solving skills and data structures to solve competitive coding challenges.
- **Winner – Web Development Competition**, recognized for designing and developing a functional, user-friendly web application.
